SPECIAL ACCOMMODATIONS FOR COLLECTION SERVICES

Our solid waste contractor offers Special Accommodations for Collection Services when all adults at an address have special needs or disabilities that prevent them from setting their trash cart/bags or recycling carts at the curb for collection.

If a request for an **Accommodation for Collection Services** is approved by the City, Meridian Waste will collect the cart/bags at or near the garage door or front door of the home at no additional charge to the resident.

As part of this special service, a smaller 35-gallon size cart may also be made available.

Meridian Waste performs this special collection on the same day that curbside collection is provided on that street.

TRASH

Collection Schedule: Picked up **once weekly**. (Option of twice per week for additional fee.)

Collection Day: To look up your specific collection days, please visit WentzvilleMO.gov/MyDay or call the City of Wentzville.

Set Out Time: Place carts curbside the **night before** or no later than **6:00 AM** on your collection day.

Materials Accepted: Non-hazardous municipal solid waste. **NO** construction materials permitted.

Containers: 95-gallon Meridian Waste cart as well as up to three (3) customer-provided trash bags. **NO PRIVATE CONTAINERS** (including cardboard boxes) will be serviced/collected.

Additional Carts: Extra 95-gallon carts will be provided for an additional monthly fee. Using an extra cart helps you avoid add-on per-bag trash fees if you exceed your weekly limit, plus keeps your property cleaner since bagged waste placed on the ground might be damaged and spill.

Proper Containerization: All materials **MUST** be securely bagged and either placed inside the cart (the cart lid must fully close) or set neatly alongside. Extra carts for large quantities of trash are highly encouraged versus bagged waste.

WEIGHT AND QUANTITY LIMITS

Weight: Carts **CANNOT** exceed 60 lb. each. Individual trash bags **CANNOT** exceed 40 lb.

Quantity: Each week, residents are permitted one full cart (no overflow; lid must fully shut) of securely-bagged trash and up to three (3) additional bags, if needed, to be placed next to the cart. After the first 3, there is an additional charge per bag.

**Hazardous waste will
NOT be collected.**
